Create enabling public spaces

Nine simple dementia enabling environmental principles in support of a person living with dementia

1 Unobtrusively reduce risks

2 Provide a human scale

3 Allow people to see and be seen

4 Reduce unhelpful stimulation

5 Optimise helpful stimulation

6 Support movement and engagement

7 Create a familiar place

8 Provide a variety of places to be alone and with others - in the community

9 Design in response to the vision for way of life
